First, if you find a lower price for the same tour, activity, theme park, or attraction offered by the same operator (priced in the same currency) within 72 hours of booking, our partners will refund the price difference. No gimmicks, no exceptions.

Second, we also protect you against arriving at a destination and finding the same tour or activity offered at a lower price from our operator. If you do happen to find a lower price direct from our operator, our partners will refund the price difference. It's that easy.
